RE: PSPSA Wellness on the Front Line Conference – Cancelled

To our Loyal Members, Conference Attendees, Sponsors, and Exhibitors:

The Public Safety Peer Support Association Board of Directors has made the difficult decision to cancel the PSPSA Wellness on the Front Line Annual Conference in San Diego, California, November 3-6, 2020. This decision was made out of an abundance of concern for the safety of our attendees and in response to public health advisories to limit travel and large gatherings where increased exposure to the virus is likely to occur.

We want to thank you for your patience and support through this process. Our 5th Annual Conference was on track to be one of PSPSA's best conferences ever. Your PSPSA Executive Board and committee members will work to make the 2021 Wellness on the Front Line Conference even better.

Your peer support teams have always been critical to the health and wellness of our front line and is more critical today than ever before. Please be safe and continue to support one another through these difficult and unprecedented times.

Please visit www.PSPSA.org for 2021 dates TBA and for information regarding Eventbrite registration refunds, hotel, and travel refunds.
